

MAKE-UP 101

SPECIALIZED MAKE-UP STORES

Sephora Ulta

DRUGSTORES

CVS Wallgreens Rite Aid

Drugstore make-up brands are often just as good as the more expensive ones!

E.L.F. makeup is a great way to try a new product without spending a lot of money

Neutrogena has more expensive options, but great for sensitive skin

NYX concealers and color correction are a good price, and good quality

Covergirl primers are great, and there are many color correcting options.

Figure out what works best for you! There are many options, and each product works differently for everyone
